Good Morning, Brian,

We just got the attached response letter to NYS Senator Brooks from our Regional Administrator Peter Lopez yesterday from our front office. You may have gotten it already albeit I do not see any cc in the letter.

Please let me know if you have any question. Thank you, Brian.

Lorenzo,

Per my voicemail yesterday, I have had discussions with the Navy Office of Legislative Affairs. The Navy is willing to respond to NYS Senator Brooks letter but will not be able to meet the EPA's preferred deadline of responding by the end of July.

We would ask that the letter be transmitted from EPA HQ to the Office of the Assistant Secretary of the Navy to the attention of the Mr. Karnig Ohannessian, Deputy Assistant Secretary of the Navy (Environment).

Thanks and please call if any questions.

Hi Brian,

Just checking in to see if you've heard back from your public affairs office on whether they also got NYS Senator John Brooks' letter and if yes whether they intend to also respond to it. Thanks much, Brian.

Hi Brian,

As we just discussed, attached is the 5-22-18 letter from NYS Senator John Brooks to President Trump ref Bethpage Plume we just got. Please let me know if the Navy public affairs office might have also gotten it and, if so, if there might be a response from the Navy so that we can coordinate.

Thanks and speak soon, Brian.
